**Sarcoma Multi-Center Clinical Evaluation
of the Efficacy of Ridaforolimus**

ARIAD Pharmaceuticals, Inc. and MSD are pleased to announce SUCCEED – a multinational, randomized, Phase 3, double-blind, placebo-controlled trial to determine the efficacy and safety of oral ridaforolimus (formerly deforolimus) when administered as maintenance therapy to patients with metastatic soft-tissue or bone sarcomas who have had a favorable outcome to chemotherapy.

To learn more about the SUCCEED trial, or to find a trial site nearby, please call the international number **1-617-621-2302** or visit **www.ClinicalTrials.gov** (NCT00538239).

ARIAD Pharmaceuticals, Inc. and MSD have a global collaboration to jointly investigate ridaforolimus for the treatment of cancer.
